6-8th Grades

- Take English and Algebra I or another rigorous math course and aim for good grades.
- Take a language other than English.
- Begin your Academic Planner on californiacolleges.edu.

9th Freshmen Grade

- Take “a-g” courses to meet the CSU’s admission requirements: college prep English, Algebra I or Geometry, and a foreign language.
- Aim for As and Bs in all your classes; focus on homework and develop good study skills.
- Begin or update your Academic Planner on californiacolleges.edu.

10th Sophomores Grade

- Take Geometry or Algebra II.
- Take college prep English.
- Take the PSAT exam to help you prepare for the SAT or ACT and to keep you on track for college.
- Take courses from the “a-g” course list: history, English, math, laboratory science, a foreign language, and visual and performing arts.
- Update your Academic Planner on californiacolleges.edu.

11th Juniors Grade

- Take college prep English and advanced math: English (writing and critical reading) and Algebra II or advanced math.
- Update your Academic Planner on californiacolleges.edu.
- Do your best on the Smarter Balanced Summative Assessment. Your CAASPP EAP results will help determine if you are ready for college-level courses before attending the CSU. In a college-level course you earn credit towards a baccalaureate degree. Visit csusuccess.org/caaspp.
- Register for the AP exams in the spring. You can earn college credit if you score well on the test(s).
- Register for the PSAT exam if you didn’t take it in 10th grade.
- Take the SAT or ACT in the spring as an additional way to determine if you are ready for college-level courses. Many CSU campuses require you to take the SAT/ACT by October of your senior year.

The California State University requires the following college preparatory pattern of classes (referred to as the “a-g” courses) for admission:

a. History and Social Science
   2 years (1 year of U.S. History and 1 year of Social Science)

b. English
   4 years required

c. Math
   3 years
   (4 years recommended)

d. Laboratory Science
   2 years with a lab class

e. Language Other than English
   2 years of the same language

f. Visual and Performing Arts
   1 year

g. College Preparatory Electives
   1 year of any college preparatory subject

See your school counselor for a detailed list of classes or visit gotocsu.com.

**12TH Seniors GRADE**

- Complete all final “a-g” course requirements, including college prep English and advanced math. Trigonometry or Analytic Geometry/Calculus are also recommended.

- If your CAASPP EAP result is “Standard Met,” you are Conditionally Ready for college-level English and/or math coursework. You are required to take an approved senior year-long English and/or math course and pass with a grade of “C” or better in both semesters.

- If your CAASPP EAP result is “Standard Nearly Met” or “Standard Not Met,” you are Not Ready for college-level English and/or math coursework. Visit csusuccess.org for more information on EAP, including how to improve your English and math skills.

- If you are planning to transfer from a California Community College, visit calstate.edu/transfer.
